

Bioenergy Global Summit 2025

It is with great pleasure that we welcome you to Bioenergy Summit 2025, a premier gathering of visionaries, innovators, and industry leaders dedicated to shaping a sustainable energy future.

Yashobhoomi
IICC Dwarka Sec - 25
New Delhi India

29th-30th
July 2025

Biofuels, Biodiesel

Sugar & Ethanol Industries

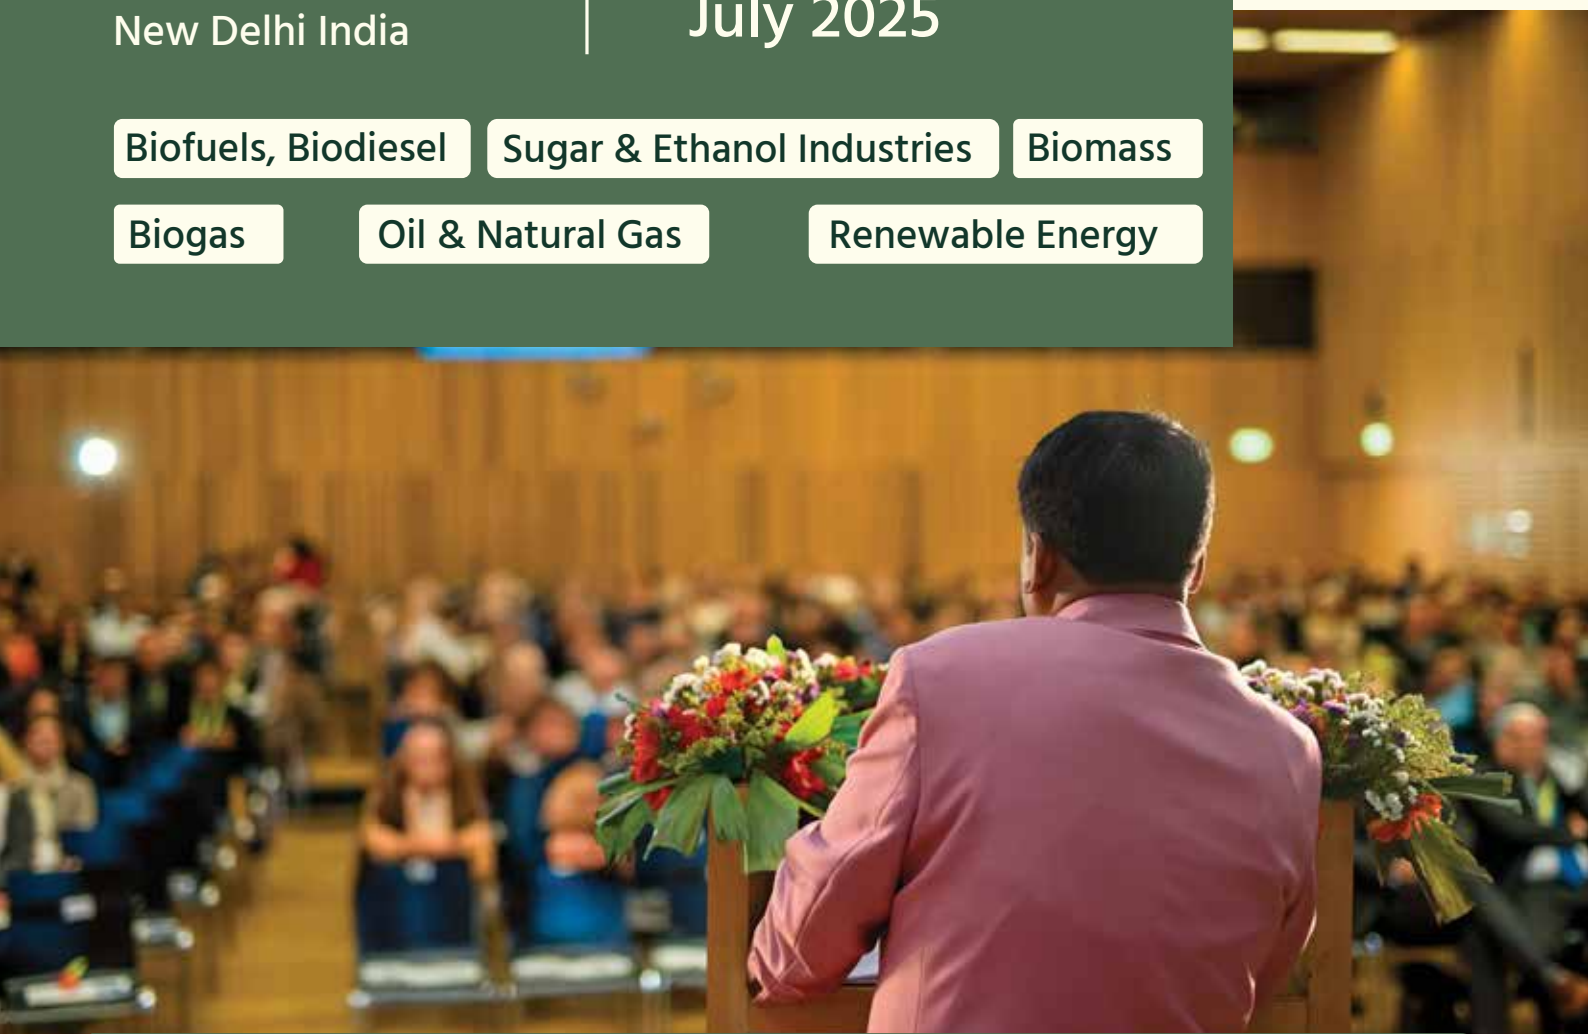

Biomass

Biogas

Oil & Natural Gas

Renewable Energy

Supported by

Industry Partners

NCBI 1st EDITION SPEAKERS

2nd August 2024
Silver Oak Hall, India Habitat Centre,
Lodhi Road, New Delhi

Lt. Col Monish Ahuja (Retd.)
Chairman & Managing Director
Prespl

Dr. Sangita M. kasture
Scientist 'G' & Advisor
Bioenergy at Ministry of
New & Renewable Energy
Govt. of India

Mr. Sita Ram Meena
Scientist 'E' at Ministry of
New & Renewable Energy
Govt. Of India

Mr. Dhoya Snijders
Innovation Counsellor for the
Netherlands in India

Dr. Vanita Prasad
Founder & Director of
REVV Environmental
Solution Pvt. Ltd.

Dr. D.K Raga Ranjan
VP: R & D, Businesses Operation
Higher Yield of Biofuels
Canex Techno Pvt.Ltd.

Mr. C Prabhakar Chakravarthy
Managing Director of
Chakravarthy Gas
Distribution Services
Pvt. Ltd.

Sh. Prafulchandra R Dongre
Joint Director (CPRI)
Member (Samarth Mission)

Ms. Madhvi Bangur
CEO, Bangur Energy

Mr. Sanjay Kumar Shahi
Scientist 'E' at Ministry of
New & Renewable Energy
Govt. of India

Mr. Bhabani Sankar Acharya
Former Director Food Safety &
Standards Authority of India
(FSSAI)

Mr. Lav Kumar
Addl. Director, Centre for
High Technology
Govt. of India

Mr. Dharmendra Sharma
Managing Director of
Mamleshwar Clean Fuel
Pvt. Ltd.

Mr. Balram Gupta
(CEO & Founder)
Bioenergy Time Magazine
& Biomandi

Ms. Arushi Sana
CO - Founder
Entrepreneur / Speaker /
Panelist

Mr. Prof Virendra K Vijay
CRDT, IIT Delhi of National
Coordinator - Ministry of Education
Govt. Of India

Ms. Sheetal Mehra
CMO & National Sales Head
Gattuwalla Energy
Solutions Pvt. Ltd.

Ms. Kuldeep Kaur
Managing Director of
Biogrip Biofuels Pvt. Ltd.

Sh. Ravinder Yadav
Project Engineer (BEE)
Member (Samarth Mission)

Mr. Vaibhav Dattani
CEO - Shubhshree
Biofuels Energy Ltd.

speakers joining soon**

Bioenergy Global Summit -29th July 2025

Programme start at 10:00am

Session 1 - (11am-12pm)

Lamp Lighting / Welcome Address By Chief-Guest

Evolving Role of Bioenergy in Europe and North America

Moderator :- Name – Designation – Organisation Name

- Current Status of Bioenergy in Europe and North America – (Speaker Name – Designation – Organisation Name)
- Policy and Regulatory Landscape
- Role of Bioenergy in Energy Transition and Net-Zero Goals
- Technological Advancements and Innovations
- Market Trends and Investment Opportunities
- Sustainability and Environmental Considerations
- Challenges and Barriers to Adoption
- Role of Bioenergy in Specific Sectors Future Outlook and Roadmap

Session 2 - (12pm-1pm)

Potential of Second-Generation Biofuels in Meeting the Global Energy Needs

Moderator :- Name – Designation – Organisation Name

- Introduction to Second-Generation Biofuels – (Speaker Name – Designation – Organisation Name)
- Advantages Over First-Generation Biofuels
- Role in Global Energy Transition
- Challenges in Commercialization & Scaling Up
- Innovations & Emerging Technologies
- Market Demand and Industry Adoption
- Policy, Regulations, and Government Support
- Sustainability and Environmental Impact
- Future Outlook and Road map Followed by Q&A round

{1pm-2pm -Lunch}

Session 3 - (2pm-3pm)

The Role of Biomass in Fulfilling Goals of Paris Agreement

Moderator :- Name – Designation – Organisation Name

- Contribution of Biomass to Carbon Neutrality and Net-Zero Targets – (Speaker Name – Designation – Organisation Name)
- Sustainable Biomass Sourcing and Land-Use Considerations
- Biomass for Power Generation, Heating, and Industrial Applications
- Role of Biofuels in Decarbonizing Transportation
- Carbon Capture and Storage (BECCS) in Biomass Energy Systems
- Policy Support and Incentives for Biomass Under the Paris Agreement
- Challenges and Barriers to Large-Scale Biomass Deployment
- Future Potential and Roadmap for Biomass in Global Climate Goals
- Followed by Q&A round

Session 4 - (3pm-4pm)

{4pm-4:30pm -High Tea}

Session 5 - (4:30pm-5pm)

Technologies for Greater Global Adoption of Bioenergy

Moderator :- Name – Designation – Organisation Name

- Importance of Technology Transfer in Scaling Bioenergy Solutions – (Speaker Name – Designation – Organisation Name)
 - Challenges in Transferring Bioenergy Technologies Across Regions
 - Role of Public-Private Partnerships in Facilitating Technology Exchange
 - Knowledge Sharing and Capacity Building for Developing Nations
 - Policy Frameworks and International Collaboration for Technology Transfer
 - Financing and Investment Strategies for Bioenergy Technology Deployment
 - Adapting Bioenergy Technologies to Local Resources and Infrastructure
 - Future Strategies to Accelerate Global Bioenergy Adoption
- Followed by Q&A round

Technology Financing Global Carbon Market Challenges & Opportunities

Moderator :- Name – Designation – Organisation Name

- Introduction & overview Global Context
- Global Carbon Market Trends & Regulatory Shifts
- Challenges in verification, certification, and market access.
- Importance of supporting early-stage innovation and future prospects
- Digital Innovation in Carbon Market & Finance
- Followed by Q&A round

**Vote Of Thanks By Balram Gupta -
(CEO & Founder) Bioenergy Time, Biomandi**

NATIONAL CONFERENCE ON
BIOENERGY INDIA 3rd EDITION

National Conference on Bioenergy India 30th July 2025

Programme start at 10:00am

Session 1-(11am -12pm)

Session 2-(12pm -1pm)

{1pm-2pm -Lunch Break}

Lamp Lighting / Welcome Address By Chief-Guest

Govt. Policies Regulations And Incentives in Development of Bioenergy sector in India

Moderator :- Name – Designation – Organisation Name

- Overview of India's bioenergy goals under the National Bioenergy Mission.
- Regulatory Framework for Bioenergy Projects
- Role of Government Agencies
- Support for R&D and Startups
- Contribution to renewable energy targets and net-zero goals.
- Challenges in Policy Implementation
- Followed by Q&A round

Potential In Ethanol Sector, Current Status & Future Prospective In India

Moderator :- Name – Designation – Organisation Name

- Current Status of Ethanol Production in India
- Policy Support and Government Incentives
- Growth Potential of the 2 Ethanol Sector
- Scope for foreign investment and joint ventures in ethanol Sector in India
- Sustainability and Environmental Benefits
- Challenges Faced by the Sector in Ethanol production
- Role of advanced biofuels, flex-fuel vehicles, and bio-refineries.
- Followed by Q&A round

Session 3-(2pm -3pm)

Challenges in Construction of CBG Plants in India

Moderator :- Name – Designation – Organisation Name

- Regulatory & Policy Challenges – (Speaker Name – Designation – Organisation Name)
- Financial & Investment Barriers
- Technical & Infrastructure Challenges
- Feedstock Availability & Supply Chain Issues
- Land Acquisition & Site Selection
- Market & Commercial Viability
- Operational & Maintenance Issues
- Way Forward & Solutions
- Followed by Q&A round

Session 4-(3pm -4pm)

Sustainable Fuel (SAF), Present Status, Various Technological Options And Future Outlook

Moderator :- Name – Designation – Organisation Name

- Overview of current sustainable fuel types
- Technological Options for Sustainable Fuel (SAF) Production
- Applications Across Sectors Policy Support and Framework
- Challenges in Scaling Sustainable Fuels (SAF)
- Future Outlook and Innovation Trends
- Followed by Q&A round

{4pm-4:30pm -High Tea}

Session 5-(4:30pm -5:pm)

Role Of Bioenergy In Rural Economy

Moderator :- Name – Designation – Organisation Name

- Employment Generation & Livelihood Opportunities – (Speaker Name – Designation – Organisation Name)
- Enhancing Energy Access & Rural Electrification
- Utilization of Agricultural & Organic Waste
- Boosting Farmers' Income & Agrarian Sustainability
- Decentralized Energy Solutions for Rural Development
- Government Policies & Financial Support
- Challenges in Implementation & Infrastructure
- Future Prospects & Sustainable Growth

Session 6-(5:00Pm -5:30pm)

Women Entrepreneurship In India's Bioenergy Sector

Moderator :- Name – Designation – Organisation Name

- Empowering Women through Sustainable Business Models – (Speaker Name – Designation – Organisation Name)
- Opportunities in Biofuel Production & Distribution
- Access to Finance & Government Support Schemes
- Skill Development & Capacity Building
- Challenges in Market Access & Scaling Ventures
- Women-led Innovations in Bioenergy Technologies
- Role of Self-Help Groups & Cooperatives
- Future Roadmap for Inclusive Growth, Followed by Q&A round

Register for Your Conference Pass Today!

Join Bio Energy Global 2025, the premier platform for in-depth discussions and knowledge exchange in the Bioenergy sector. This landmark event will bring together 20,000+ Bioenergy professionals, 150+ expert Leader, and 2,000+ delegates from around the world. The Strategic Conference will feature Ministers, global CEO's, and industry leaders as they explore the latest trends shaping the future of Bioenergy. Don't miss the opportunity to gain insights from renowned Bioenergy pioneers and experts as they share groundbreaking research, innovative solutions, and best industry practices.

Pass Type	Standard (Expires 25th July 2025)	Onside (29th July 2025 Onwards)
Domestic	INR ₹	INR ₹
Day 1 - 29th July 2025 BioEnergy Global Summit	5,000/-	7,000/-
Day 2 - 30th July 2025 NCBI	5,000/-	7,000/-
Both Days Access	11,000/-	15,000/-
International	USD	USD
Day 1 - 29th July 2025 BioEnergy Global Summit	\$200	\$250
Day 2 - 30th July 2025 NCBI	\$200	\$250
Both Days Access	\$300	\$400

18% GST Will be Applicable
