

# BIOENERGY GLOBAL 2025

Bringing Global Leaders Together for a Sustainable Future

29<sup>th</sup> -31<sup>st</sup> July 2025  
Yashobhoomi IICC  
Dwarka New Delhi  
India

## BROCHURE

Join Industry Leaders, Innovators, And Global Stakeholders As We Come Together To Showcase The Latest In Bioenergy Technology And Solutions.

Supported By

### Industry Partners

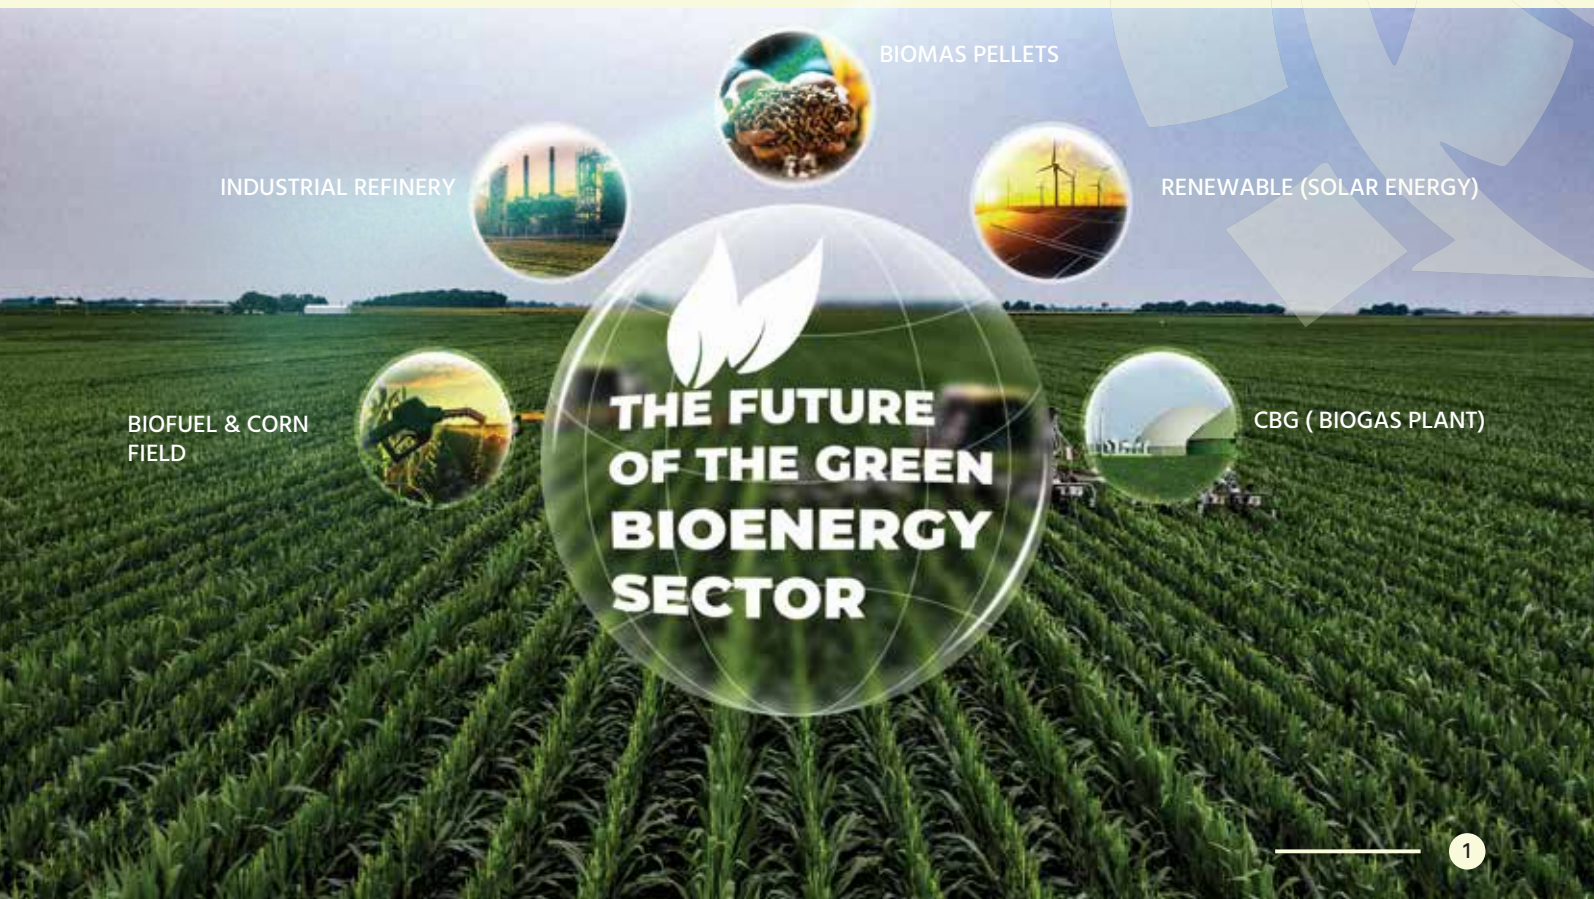

# About The Bioenergy Global Event 2025

India BioEnergy Global Event 2025 is a leading platform bringing together innovators, industries, policymakers, and visionaries from across the bioenergy spectrum. With a strong focus on sectors like **biofuel, biodiesel, sugar, & ethanol, biomass, oil & natural gas, biogas, and renewable energy**, the exhibition creates new business opportunities and paves the way for a sustainable future.

## "Empowering India's Green Future through Bioenergy"

India is unlocking the true potential of agricultural residues and organic waste through innovative bioenergy solutions. By converting waste into clean fuel, we're not only reducing carbon emissions but also creating rural jobs, energy security, and a self-reliant green economy.

# Bioenergy Global Summit 2025

On one of the days, renowned international speakers will join us to share valuable insights on emerging trends and the future of bioenergy.

[www.ncbi.co.in](http://www.ncbi.co.in)

The conference will focus on critical themes including key challenges, technologies, innovations, latest developments, policy frameworks and regulations essential for advancing bioenergy solutions. Attendees will gain insights into cutting-edge research and technologies, participate in engaging discussions on policy challenges, and explore practical solutions for sustainable energy practices.

Attendees will also have the chance to explore a cutting-edge exhibition showcasing the newest technologies and solutions transforming the bioenergy field. Networking opportunities will be abundant, offering valuable connections and collaborations that can drive future projects and initiatives.

DAY -2 CONFERENCE

DATE - 30<sup>th</sup>

JULY 2025

# *National Conference on Bioenergy India 2025*

The Conference aims to drive meaningful dialogue and action towards a greener, more sustainable energy future. By gathering diverse stakeholders, the conference seeks to catalyze progress and facilitate the exchange of ideas that will shape the future of bioenergy in Global

# Exhibitors Profile

Join Industry Leaders, Innovators, And Global Stakeholders As We Come Together To Showcase The Latest In Bioenergy Technology And Solutions. The Exhibition Will Feature Companies From Around The World Involved In :

## Biofuels & Biodiesel

- Molasses to Ethanol EPC Providers
- Grain to Ethanol EPC Providers
- Grain Material Handling Solution
- Silo Manufacturers
- Industrial Pump Manufacturers
- Equipment & Machinery
- Biodegradable Packaging
- Consulting & Engineering Services

## Sugar & Ethanol Industries

- Sugarcane Industry
- Sugarcane Breeding & Research
- Pesticides & Fertilizers
- Seed & Fertilizer Suppliers
- Co-generation Power Plants
- Research & Development

## Biogas

- Drones & Aerial Imaging
- Post-Harvest Technology
- Organic Farm Equipment
- Financial Services

**All manufacturers in the Allied Equipment and Parts Coalition (AEPC) are Invited to Participate in exhibition**

## Oil & Natural Gas

- LNG & CNG Infrastructure
- Oil & Gas Refining Equipment
- Bio Refineries
- Industrial Chemical Company
- Pipeline Construction & Maintenance

## Biomass

- Farm Machinery
- Agricultural Equipment Industry
- Irrigation Systems
- Wood Pellets

## Renewable Energy

- Renewable Energy Service
- Agri-Tech Startups
- Solar Energy
- Solar Farm
- Onshore Wind Farms
- Solar Street Lights

# Why Exhibit @ BioEnergy Global 2025

Exhibiting at our event means being at the forefront of innovation and progress in Critical industries that are driving the global transition to sustainability. This is your Opportunity to showcase products, services, and technologies to a highly targeted Audience of decision-makers, influencer, and experts from the sugar, ethanol, Natural gas, fuel, agricultural, and bioenergy sectors.

## BIOGAS (CBG)

Join over 200+ exhibitors who understand the value of networking with 3000+ professionals seeking cutting-edge solutions for achieving net-zero carbon emissions. This is where industries converge to shape a greener, more sustainable future through the Bioenergy Global 2025

## BENEFIT OF PARTICIPANTS

**400+**  
Exhibitors  
Participation

**20000+**  
Bioenergy  
Professional

**1000+**  
Bioenergy Industry  
Decision Makers

**25+**  
Conference  
Sessions

**20+**  
Countries  
Participating

**2000+**  
Conference  
Delegates

**50+**  
Conference  
Speakers

**100+**  
BET Excellence  
Award

**100+**  
Top Bio Energy  
CEO Meet

# Visitors Profile

## Applications:

Engineers, researchers, and industry professionals focused on the technical advancements and practical applications of bioenergy, renewable energy and agricultural solutions.

## Sustainability Advocates:

Organizations and individuals passionate about contributing to the global movement toward a net-zero carbon future

## Corporations:

CEO's, Directors, and key executives from global corporations looking to invest in sustainable technologies and innovations.

## Government & Policymakers :

Key decision-makers shaping policies and regulatory frameworks for the bioenergy, agriculture, and renewable energy sectors.

**29th-30th-31st  
July 2025**

# Bioenergy Award 2025

Bio Energy Times 2025 Celebrates The Brightest Minds, Innovative Solutions, And Impactful Projects In The Bioenergy And Renewable Energy Sectors. With 20 Prestigious Awards Across Individual And Organizational Categories, This Platform Acknowledges The Efforts Of Those Leading The Charge Toward A Cleaner, Greener Future.

## Individual Awards

- Energy Leader of the Year
- Young Innovator in Bioenergy
- Lifetime Achievement in Bio Energy
- Women in Energy Leadership Award
- Young Voice for Bioenergy (Male)
- Young Voice for Bioenergy (Female)
- Excellence in Biomass Technology
- Rising Star in Green Technology
- Researcher in Biomass Energy
- Champion of Biomass Advocacy

## Special Recognition Awards

- Innovation in Renewable Fuel
- Community Impact in Clean Energy
- Best Agricultural Waste-to-Energy Solution
- Sustainable Supply Chain Award
- Best Exhibitor Initiative

## Organizational Awards

- Sustainable Leadership Award
- Bioenergy Innovation Award
- Carbon Neutrality Champion
- Excellence in Biogas Production
- Best Biofuel Initiative
- Best Renewable Energy Project
- Circular Economy Excellence Award
- Outstanding Biomass Energy Contribution
- Renewable Energy Transformation Award
- Energy Efficiency Excellence Award

## Why Participate?

**Gain Industry Recognition:** Elevate your status as a leader in the bioenergy and sustainability sectors.  
**Network with the Best:** Engage with policymakers, innovators, and business leaders shaping the industry.  
**Showcase Excellence:** Share your achievements and inspire the next generation of sustainable energy solutions.

## Who Can Nominate?

Open to organizations, innovators, and leaders in biofuels, biogas, biomass, renewable energy, and allied industries.

# Bioenergy Global Exhibition 2025

This July, showcase your brand at Yashobhoomi and take it to new heights! Limited stalls available booking now open! Don't miss this golden opportunity to reach thousands of potential customers. Secure your stall today!
