

4th National Conference on Bioenergy India

27th March 2026

Auto Cluster Exhibition Centre
MIDC, Pimpri-Chinchwad, Pune

Sustaining the Planet – Solar, Bioenergy, Circular Manufacturing & Waste-to-Energy Solutions for India’s Energy Future

Supported By

Supporting Partner

Ministry of Power

Industry Association Support

Sustainability Partner

CONFEDERATION OF BIOMASS ENERGY INDUSTRY OF INDIA
Towards a sustainable future

• Biofuel & Biodiesel

• Sugar & Ethanol

• Agriwaste

• Plastic & Waste Water

• Oil & Natural Gas

• Renewable Energy

• Industrial Waste

• Food & Paper Waste

• CBG

• EPC and Services

• Biomass

• Solar Power Technologies & PV Systems

10:00am

Inauguration of 4th NCBI
Shri Ravi Prakash Agarwal ji ,Mission Director , SAMARTH Mission, Ministry of Power

Welcome Address

Lamp Lighting Ceremony

Keynote Address

Mr Balram Gupta, CEO
Meera Trade Fair Media Pvt. Ltd.

Shri R. P Agarwal, Mr Sandeep Rairikar,
Lt Col Monish Ahuja (Retd), Mr Jaideep N Malaviya,
Mr Balram Gupta

Shri R P Agarwal ji ,
Mission Director , Samarth Mission

Session 1
(10:30 -11:15 AM)

Launch of RENEWEEEX™-Accelerating Clean Energy Deployment across Solar and Bioenergy Value Chains

Advancing India's Solar Energy Transition through Circular Economy Approaches

Moderator & Speaker - Mr. Jaideep N Malaviya - Ex -Board Director-ISES,
CEO-Malaviya Solar Energy Consultancy,Sec General-Solar Thermal Federation of India

Speaker – Minal Mimani - Regional Sales Manager, TATA Solar Power

Speaker – Mr B H Shrikant - Chief Consultant -Industrial and RE Projects

- Policy and regulatory alignment
- Role of domestic solar manufacturing in sustainable and circular supply chains
- Solar panel waste management, recycling technologies, and material recovery
- Infrastructure, raw material challenges, and environmental safeguards
- Way forward for a circular solar ecosystem

Followed by session Q&A round

Mr Sandeep Rairikar - General Manager, ARAI, Ministry of Heavy Industries, Govt. of India

- Regulatory Requirements and Technological Advancements for Biofuel in India

Special Session
(11:15 -11:30 AM)

Bioenergy and Diversified Renewables in India's Clean Energy Transition

Moderator & Speaker - Lt.Col Monish Ahuja(Retd) - CMD- PRESPL,
Chairman- CBELI

Speaker – Mr. Abhinav Kumar - Samarth Mission member -Topic
"Biomass co-firing policy and way forward"

Speaker – Mr. Makarand Chitale - Director, MIST Resonance Engg.Pvt Ltd

Speaker – Mr Kalpesh Mehta - Founder & CEO, Gattuwalla Energy Solutions

Speaker – Mr B H Shrikant - Chief Consultant -Industrial and RE Projects

Speaker – Mr Sandeep J Mandalik - Zonal Head - South and West India, HiTech Agro Energy Pvt. Ltd.

- Biomass and bioenergy potential: current status and 2030 outlook

Session 2
(11:30 -12:30 PM)

Session 3
(12:30 -01:30 PM)

- Role of biomass in a diversified renewable energy mix
- Feedstock availability and operational challenges
- Hybrid models: Biomass with solar/wind for decentralized energy
- Policy support and the way forward

Followed by session Q&A round

CBG Revolution – Powering Clean Mobility & Energy Security

Moderator & Speaker - Dr Sanjay V Patil - ex-VSI and Adviser (Sugar,ethanol,CBG), Spectrum Technologies & Grainotch Industries

Speaker – Mr Arpit Vijay - CEO-Proveg Engg & Food Processing Pvt.Ltd

Speaker – Mr Prem Bhonge - MD at Canex Techno Pvt. Ltd.

Speaker – Mr Pradeep Dhokare - MD, Universal Forces Industries Pvt Ltd

Speaker – Mr Rajesh Savaniya - CEO & Founder, Adroit Corporation

- CBG potential in Maharashtra – SATAT scheme, targets, and investment outlook
- Feedstock challenges and opportunities
- Supply chain issues and infrastructure concern
- Operations and maintenance challenges
- Way forward and solutions

Followed by session Q&A round

1:30-2:30 pm -Lunch Break

Session 4
(2:30 -3:30 PM)

Launch of Waste-to-Energy Vertical - Transforming Waste into Sustainable Energy and Resource Value

Waste-to-Energy – Converting Waste into a National Resource

Moderator & Speaker - Lt.Col Monish Ahuja(Retd) - CMD- PRESPL, Chairman- CBEII

Speaker – Mr. Ankit Kohli - CEO, Sanmish energies

Speaker – Mr Ashwin Joshi - Founder and CEO,Ecodhara Group

Speaker – Mr Magesh Mahadevan MR - National Sales Manager & Technical Expert,Biodrops Environmentsl Solutions Pvt. Ltd.

Speaker – Mr Rajeev Verma - Founder & CEO Techmark Engineers & Consultants

- Waste segregation and conversion technologies
- Urban and rural waste management for energy recovery
- Finance and Investment challenges for large-scale WTE projects
- Research and Innovations
- Regulatory and Policy Framework

Followed by session Q&A round

Thanks Giving & Closing Address

Vote of thanks

“Thank you for being a part of the Bioenergy India - 4th NCBI Conference 2026. Together, let’s shape the future of Renewable Energy.”

Join us at 2nd Edition Bioenergy Global Summit 29-30-31 July 2026

IICC, Yashobhoomi Dwarka Sec-25, New Delhi, India
